

David Hayes-Bautista, PhD

Lack of Access to Care in Latino Communities: Looking at Chronic and Communicable Diseases

Bio

David E. Hayes-Bautista, Ph.D. is currently Distinguished Professor of Medicine and Director of the Center for the Study of Latino Health and Culture at the David Geffen School of Medicine at UCLA. He graduated from U.C. Berkeley, and completed his doctoral work in Basic Sciences at the University of California Medical Center, San Francisco. Dr. Hayes-Bautista served on the faculty at the School of Public Health at U.C. Berkeley until 1987, when he took his current position at UCLA.

Dr. Hayes-Bautista's research appears in a variety of medical journals including *Family Medicine*, the *American Journal of Public Health*, *Family Practice*, *Academic Medicine* and *Salud Pública de México*. Some of his published books include *The Burden of Support: Young Latinos in an Aging Society* (Stanford University Press, 1988), *El Cinco de Mayo: An American Tradition* (University of California Press, 2012) and *La Nueva California: Latinos from Pioneers to Post Millennials* (University of California Press, 2017.) Dr. Hayes-Bautista writes columns for the *Los Angeles Times* and *La Opinion*, and is often asked to provide opinions on radio and television in both Spanish and English.

For the past five years, he has been chosen one of the 101 Top Leaders of the Latino Community in the U.S. by *Latino Leaders Magazine*. In 2012, he received the Association of American Medical Colleges (AAMC) Herbert W. Nickens Award for his lifelong concerns about the educational, societal, and health care needs of underrepresented groups, and in 2016 the Ohtli Award from the Mexican Government.
